ABOUT US

Dalila's is a 1950s-inspired cocktail bar and lounge in the heart of Charleston, SC founded by Michael Whiteley and Timur Dmitriyev. We create unique seasonal cocktails from scratch inspired by the bright flavors of the Caribbean from our intimate space on Spring Street.

Our goal is to provide a home for our neighbors. We want to invite the city of Charleston to take a minute. Let us grab your coat, soothe you with a cocktail and feed you with something made by hand. You've built this city, now enjoy what you've created.

THE SPACE

Our space features an indoor bar as well as indoor and outdoor seating and standing room. The capacity of our space is 40 people.

FOOD & DRINKS

Our cocktails are what we are known best for. Each of our seasonal cocktails are hand-crafted from scratch and are inspired by the bright and bold flavors of the Caribbean. Our food menu is sourced from a variety of our best local chefs from around the Charleston area.

SPECIALITY COCKTAILS

All of our famous speciality cocktails from our regular menu are available at events. These include but are not limited to:

Hermosa	Enzo
El Conejo	El Pinto
Captain's Kick	Ol' Doops
Bottom Bay	Doctor's Cave
Pelican Punch	Count Camellia
San Fernando Sour	Lola's Nightcap

At Dalila's, our goal is to make you happy, so if you can dream it, we can make it. Ask for anything off of our menu or for something of your very own and we can accommodate, as well.
